CAREER PLANNING WORKSHOPS

## ABOUT US

GPIS was established in 2007 with nearly 90 years collective experience between its staff professionals in the insurance and financial industry. We represent the largest insurance and financial companies in the country. Our specialty is working with federal employees. The main goal of GPIS is to help federal employees understand and maximize their benefits while helping them secure their financial future through the knowledge they receive at our many workshops and personal benefit reviews.

## WORKSHOP OVERVIEW

Our workshop is ideal for federal employees early in their career, midcareer, or preretirement looking at ways to maximize their federal benefits and annuity. This workshop provides instructions in a classroom setting with the one-on-one federal retirement financial planning session. Each workshop attendee will also receive a free GPIS employee benefit workbook, 2015-2016 addition.

Our workshops offer expert advice on federal benefits and retirement planning, and a one-on-one federal retirement benefit consultations. You will also receive annual updates from our staff. Each member of our expert staff has extensive background working with the federal government, federal employees, and retirement planning. Our top priority is making sure each federal employee retires with a peace of mind that comes from knowing they made the right decisions to plan ahead and maximize their retirement benefits!

Our staff will walk through our federal retirement software with you to personally select and implement the best re-tirement plan based on your objectives and goals for the future retirement.
